Become an Opera Saratoga Supporter Today!

Become a supporter of Opera Saratoga and gain access to exclusive donor events and experiences. At the most basic levels of support, you will receive newsletters and invitations to events ensuring you always stay up-to-date on the latest company and artist information. At higher levels of supporter, you gain more opportunities to meet our artists and can select an artist to sponsor in our summer festival playbill.

Sponsor an Opera Saratoga Artist

Major donors (\$1,000 or more) are invited to select an artist to sponsor in the summer festival playbill. Your name will be associated with a particular Studio, Apprentice, Principal Artist, Artistic Staff Member, or Performance in print and online event promotions, in our e-newsletters, and in the playbill. More importantly, your donation will help support us financially as we continue to attract opera’s leading artists to perform in Saratoga.

Throughout the month of June artist sponsors are encouraged to meet their sponsored artist at the special events and performances listed here.
